CHUNKY MOVE

Now is the time to come on an exciting journey with Chunky Move. In 2022, the company returns from two years of deep reflection and growth, and we are excited to ride the current wave returning us to live performance. Equipped with a reserve of creative energy, we stand ready to deliver many astounding and thought-provoking moments in dance that will connect us all.

Our major works and programs will enthrall audiences and engage participants in worlds that captivate and ideas that awaken the senses. This year, we deliver a total of four new Australian works including a major commission by our 2021/22 Choreographer in Residence, Joel Bray. In addition, we'll deliver three smaller scale commissions through our Activators program.

Right now we are launching our new Giving Program, breathing life into our works and building a foundation for our artists and community long-term. The development of this program represents a maturation of the company as a cultural leader. New and existing donors have the opportunity to be part of our future historic work and the company's illustrious 26-year legacy. We invite you into our imaginative space to stand beside us as we step into the next era of Australia's most daring dance company.

Chunky Move champions the spirit of artistic adventure and our donors will help drive new work creation, vital sector support programs and education, through our new tiered structure of giving. Whether you want to support the bombastic energy of our signature major works, the professional development of dance artists or the education of next generation dancers, you will be driving the engine of Chunky Move through the philanthropic tradition.

Our ambition can only be fulfilled by your belief in us and the generosity that is at the heart of philanthropy. Join our vision and commitment to making a bright future for Australian dance, together.

A handwritten signature in black ink, appearing to read 'Antony Hamilton', with a stylized, cursive script.

Artistic Director/Co-CEO, Antony Hamilton

Chunky Move creates bold, genre-defying dance works.

Our collaborations, partnerships and projects extend artform influence in the public realm and increase the visibility of contemporary dance as an everyday artform.

Through commitment to our company values—fearless experimentation, activation, leadership and collaboration—we play a crucial role in driving the artform of dance forward in Australia and beyond, and you can help us.

By joining the Chunky Move community as a patron, you enable us to

CREATE

**Commission and present bold, genre-defying
Australian dance works**

SUPPORT

**Provide professional development opportunities
for independent dance artists**

EDUCATE

**Foster the next generation of dance artists and
leaders**

What kind of future can we make together?

Launching in 2022, Chunky Move's new Giving Program celebrates the generous support of our individual donors by drawing closer connectivity to our company values of fearless experimentation, activation, leadership and collaboration.

We invite supporters to make a yearly gift and join our donor community as a

COLLABORATOR \$15,000+

LEADER \$5,000+

EXPERIMENTER \$2,500+

ACTIVATOR \$1,000+

MOVER \$250+

Donors who give \$250 or more per year are immediately acknowledged as part of our Giving Program and are invited to a suite of bespoke events. Our unique donor experiences include exclusive viewings of company works, invitations to work-in-progress showings and behind-the-scenes access to our Artistic Director, Executive Director and artist community. Donations at any of the giving levels listed will be acknowledged on our website and annual reports.

Donations of all sizes are appreciated immensely and donations of \$2 or more are tax-deductible and will be issued a receipt.

To find out more about our Giving Program and the different ways you can support Chunky Move, please contact our Development Coordinator, Elyse Cox at elyse@chunkymove.com.au or (03) 9645 5188, or go to chunkymove.com/support.
